

WEEK OF FEBRUARY 6, 1967

PASTOR JOHN P. WOODS TO SPEAK AT FEBRUARY 8 PROGRAM

LASER WORKS AT LAST WEEK'S MEETING

A Laser experiment (on a small scale) demonstrated to Kiwanians last Wednesday noon the potential of this new light action called laser.

Presenting the program on behalf of Northwestern Bell Telephone Co. was Dick Steninger, Toll Service Supervisor for NWB and a 20 year veteran of the Phone Co.

Additionally, a short film portrayed some further applications of laser beams.

Guests included George Hedges, Wilmette, Illinois, who is the son of the late Harry Hedges - a founder of our club. George was introduced by Don Isett; Mel Galbraith introduced an associate, Earl Daniels; Jim Nisley introduced associate Terry Weldon; and Joe Dytrt presented Dick Wrich.

NEW MEMBER

Presented by Vice President Howard Smith as our Newest New Member was:

JACK FULTON, Linn County Attorney

Jack presented our program on January 11th, and apparently was impressed with his audience; he returned as a guest of Al Gravelie two weeks ago, and has now joined us. (It would appear that Kiwanian lawyers are out for a brownie point or two - perhaps??)

Let's make Jack feel right at home - you don't have to be an attorney to get acquainted.

T & A HONORS

T & A Chairman Bob Birr conferred honors on two of our members during the meeting, expressing sincere appreciation to Ed Bruns for his annual painting - the grand prize for selling tickets. Al Gravelie, of course, won the 1966 painting displayed during the meeting - and it is a beauty.

And speaking of the T & A series, Birr reported a real fine crowd last Sunday afternoon for the program on Hawaii - with a door sale totaling \$201.50.

A former member of our club will be the featured speaker next Wednesday noon, February 8th.

Rev. John P. Woods, Pastor of the Westminster Presbyterian Church here in Cedar Rapids, will present his talk on "If I Were a Politician."

A native of Glasgow, Scotland, Woods grew up in Philadelphia. He obtained his B.A. degree from Wheaton College in Illinois, his Bachelor of Theology from Princeton, and his M.A. from the University of Minnesota.

In 1962, he was awarded an Honorary Doctor of Divinity Degree by Coe College.

Who's going to present a new member this week?
