ANNUAL VOCATIONAL AWARDS MADE LAST WEEK

The Boys & Girls Work Committee culminated one of their biggest annual projects during our meeting last Wednesday noon, May 24, when they presented some 50 boys from the Junior and Senior High Schools of Cedar Rapids who had been named winners of our annual Kiwanis Vocational Certificate of Award.

Chairman Don Phillion introduced each instructor who in turn presented his student winners. Certificates were presented during student assemblies at the various schools to 140 young men, from 7th grade on up.

Schools represented at the meeting were Jefferson, Washington, Regis, Franklin, Harding, McKinley, Roosevelt, Wilson and Taft.

GRIGG SPEAKS

Les Grigg, Consultant in Industrial Arts and Adult Education for the Cedar Rapids School system, expressed his appreciation to Kiwanis for making this recognition possible each year. He went on to discuss the vocational program in the public schools, and how it will tie in to the new Area 10 program.

GUESTS

Two guests other than participants-Terry Pointer introduced Steven Arneson (whose Dad Arnie, is a past president of the Iowa City Kiwanis Club); Fred Hollands presented Maurice Holeman, Kiwanian from Marshalltown.

CONGRATULATIONS!!!

A big Kiwanis hand to Don Phillion and his Boys & Girls Work Committee for a tremendous job well done. Committee members are Terry Pointer, Don Harlan, Ralph Davis, and Mel Kropuenske. This is KIWANIS IN ACTION!

WELCOME BACK, TRAVELERS

Several of our members returned last week from a 22 day Chamber of Commerce Good Will Tour in Europe, including Walt Schultz, Burt Hynden, Adolph Helm, Ora Lawrence, Ed Bock, Warren McAllister, Arch Cummings, and Joe Dytrt. Welcome back, guys - good to see you at last week's meeting.

Lt. Governor L. B. DeWees, Marion's most famous Kiwanian this year, and chief officer of the Iowa-Nebraska District's Division II (which includes our club), will be our featured speaker next Wednesday noon, May 31st.

Some will remember his appearance before us on August 11th, 1965, when he discussed his "Observations at the Wheel of a Greyhound Bus"; perhaps this time we'll hear his "Observations as the Wheel of Div. II."

DeWees, whose brother Hugh is a well known member of our club, has been Lt. Governor for five months, and will continue to serve us for the balance of 1967. This will be his official visitation to our club.

A GREAT GUY IS GONE

On June 20, 1966, we paid tribute to one of our most devoted members, as he prepared to leave our club and our city to make his home in Waterloo. "Guy Bondurant Day" almost a year ago has been forgotten, but one can't in that short period of time forget the man who spent much of his spare time serving our club, its programs and projects.

He will be remembered primarily as our Treasurer - for more than 25 years. His attendance record of 52 meetings per year for 27 years is a mark few will attain. These things brought him close to many of our members, who each will remember him in a little different way.

Guy J. Bondurant passed away last Sunday, May 21, 1967, in Waterloo.

If one can ever achieve "Greatness" in Kiwanis, then Kiwanis has lost one of its greatest.

COMMITTEE REPORTS FOR MAY ARE DUE

May activity reports are due from all chairmen next Wednesday noon, and should reach Secretary Tony by the weekend (June 4).

Why not bring it along Wednesday noon - it'll save time and postage.
