THIS WEEK - NOVEMBER 11, 1970

Dr. Joseph E. McCabe, Chancellor of Coe College, will speak on a subject which few of us understand but none of us can afford to ignore. His topic... "The River of Student Unrest". Dr. McCabe has had a long association with the academic community, both in this country and abroad. Hopefully he understands our young people better than we do!

Dr. McCabe is a native of Pennsylvania. Presently Chancellor of Coe College, he was President of Coe from 1958 to 1970. Dr. McCabe earned five degrees, including the PH.D., at the University of Edinburgh, Scotland. His professional organization affiliations include---Member of the Admissions Committee, College Entrance Examination; Fulbright Selection Committee of Iowa; Past Chairman of the Board of Directors, The Associated Colleges of the Midwest; Past President, Presbyterian College Union; Chairman, Legislative Committee, Iowa Association of Private Colleges and Universities; Chairman of the Board, Beirut College for Women, Beirut, Lebanon.

LAST WEEK - NOVEMBER 4, 1970

Division Lieutenant Governor Ralph Mills discussed the KIWANIS organization, its mode of, operation and goals. Many of us have a much better idea how we fit into that conglomerate international organization. The International President Elect is from Algona, Iowa! A net increase of four members per club doesn't seem like an unreasonable goal, but how about this goal of one new club per Division this year? Anyone for a breakfast club? Or can we help the High Schools and Colleges organize clubs? Ralph asks that we try.

In conjunction with the Drug Alert education program, KIWANIS is negotiating for and plans to equip and staff a mobile unit to bring the story to the people. Each Division will have the unit for a month, providing a rare opportunity to serve by scheduling programs and displays at strategic points thruout the communities.

The second goal of the KIWANIS for the current year----Improvement of the Quality of Life-- and Ralph's comments concerning pollution and his habit of "policing" his camp sites, really struck a responsive chord in this writer.

My spring tends to get wound a bit too tight during the week in the office. For several years I have, whenever possible, spent several hours each weekend with camera on "nature walks" in our wonderful county and state parks. Oh yes, I shoot a few pictures, but my real take is between ten and twenty-five cans and bottles per hour of hiking! How about following Ralph's suggestion and doing your bit? He and I are losing ground! The pol-luters are gaining on us!
