Vern Perry, Editor

THIS WEEK - October 20, 1971

Roosevelt Hotel---KIWANIS sponsored Experiment in International Living representative Mark McCauley will discuss his six weeks in England and give his impressions of the EIL program. Mark is a student at Regis High School and the third student sponsored by the KIWANIS in the EIL program. The Downtown KIWANIS' International Relations and Boys-Girls Work Committees handled the arrangements.

PRESIDENT'S CHALLENGE

President Colton challenges the Downtown KIWANIS - to try to reconcile the lack of understanding between youth and the "older generation" (read Vice Admiral Calvert's talk, enclosed); be proud of what we are and what we have done. And as a club---improve committee operation; improve attendance; increase membership; increase club income (additional gumball machines or other sources); carry on to completion current projects; initiate new projects, such as a speech-essay contest (suggested topic-"Individual Responsibility and Self Discipline in a Free Society"); and establish a KIWANIS' Panel to discuss such topics as "The Free Society". And finally, Ed asks our aid in implementing the goals of KIWANIS International's Major Emphasis Program for the year ahead. There. That should keep you occupied for the year 1972!

BIRR'S BAILIN' OUT

Secretary Bob Birr finds that one or the other has to give. His new field position with AAA and the duties of the Downtown KIWANIS' Secretary aren't compatible. Bob has submitted his resignation as Secretary.

LAST WEEK

When Lt. Louis Stepanek speaks, one just can't help but listen! He layed the drug abuse problem in Cedar Rapids out before us last Wednesday in a most emphatic and straight-from-the-shoulder manner. It isn't a pretty picture. But when asked what we can do to help, Lt. Stepanek said, "Learn all you can about drugs and drug abuse----be well informed".

The Lieutenant says the way to ease the load on the Police Department would be to legalize the sale of Marijuana. They spend a lot of man-hours trying to enforce the existing law. But he says, don't get him wrong, he feels that the time and effort put forth are vital to the checking of the current stampede toward a "drug culture". As frustrating as it is to the parents and officers trying to guide the young, he assured us that it is a campaign well worth everything we can put into it.

Drug abuse in Cedar Rapids has moved at an alarming pace. From the use of Marijuana in 1964 to a Heroin problem of major proportions in 1971. Lt. Stepanek list the "steppin stones" of drug abuse as -- Marijuana, to Hashish, to Amphetaminex, to LSD, to Heroin. Hashish is a hemp plant related to Marijuana---but it takes five acres to grow one pound of Hashish! It is extremely potent and the results following its use entirely unpredictable. While the Lieutenant says he doesn't agree that 90%, or 75% or 50% of the young people are using drugs, he says the number is large enough to warrant everything the KIWANIS and the public in general can do reduce the abuse. Some of the side effects of the use the drugs are almost as bad as the direct results. Diseases are taking their toll as a result of infection from dirty tools of the habit----the needle and other instruments used to inject the drug into the blood stream. And the addict who buys his fix on the street has no way of knowing whether he is getting what he is paying for or has been sold a dose of "cut" drugs, strychnine or sugar. While the so-called "soft drugs" are sold by "friends" and acquaintances, Lt. Stepanek says the sale of Heroin is handled by the pros, usually criminals with long records of shop-lifting and burglary who have "graduated" to the better-paying drug traffic. (Can't figure out a way to end this. I still have a lot more notes!) So let's get with it, in this our "Year of the Drug Alert". Doubt if there is any one of the KIWANIS' Major Emphasis Programs" which is more important to our families, community, country and civilization. I still say, Lt. Stepanek did a fine job telling us a dirty story in an impressive manner!

CENTRAL CITY KIWANIS

Ed Colton and Howard Smith visited the KIWANIS Club at Central City last week to help them install their new officers. Ed reports the members have enthusiasm and are developing plans to revitalize the KIWANIS in Central City.

BOARD NOMINEES

Stephen Root and Larry Wichmann have been nominated to fill a vacancy on the Downtown KIWANIS' Board. Election will be held during a regular Wednesday meeting.
