THIS WEEK---May 19, 1971

Roosevelt Hotel---KIWANIS Industrial Arts Award Luncheon, Ron Moore Program Chairman, arranged by the Boys-Girls Work Committee. Nine students, one from each school, will attend the luncheon. Each student will be given three minutes to explain details and the significance of his project. These nine students have been selected for outstanding performance in an area of industrial arts. Each of the outstanding students will be presented with a framed Certificate of Merit. There may be more than nine such awards given but only nine will be presented at Wednesday's luncheon.

NOMINEES

It's that time again! Election of officers----First Wednesday of June -- June 2, 1971. The Nominating Committee has come up with the following:

Second Vice President----James E. Crumrine

Directors-----E. Victor Bock
Virgil L. Brownfield
Clarence L. Fenner
Richard D. McConnell
Vernon G. Perry
Norril A. Rogness

You will have an opportunity to nominate additional candidates from the floor-- so give it some thought. Three new Directors will be elected this round.

LAST WEEK

Hope that you visited your favorite police station, or spent a few minutes talking with our fine officers, some day last week. It was Police Week, you know! (If you didn't get around to it last week, how about doing it today?) Police Chief Matias reminded us that the President Kennedy Administration designated the second week of May as Police Week. The Chief told us at last Wednesday's Luncheon Meeting that the boys get to feeling a little low, and need and appreciate a few words from the law-abiding citizens. They don't have much contact with that type!

Program Chairman Bill Jameson got things off to a great start. He introduced George Matias as the Fire Chief! Apparently Chief Matias has been called worse things than that--so it really didn't phase him. He was in a particularly good mood. As of May 1, he turned the Ambulance Service over to the Hospitals and he won a long argument with the government over ownership of the Cedar Rapids Burglar Alarm System!

The title of Chief Matias' talk was "What Law and Order Means to Me". He feels that the citizens, the politicians and the press interpret the phrase rather loosely. Too many people make a lot of noise when they see someone else break the law----but when they themselves do it---all is quiet. To quote the Chief, "I'll do as I please, but someone should do something about the lawbreakers." He feels that attitude is the cause of many of our problems. Even Hitler's Law and Order speech sounded good until we were told who said it.

A few bits from the Chief----The Cedar Rapids Police Department currently has 139 officers, the City Council has authorized 150, Matias feels the city should have approximately 175 ... The aforementioned burglar alarm system has aided in the arrest and conviction of some 40 burglars during the past year ... Light is still the best deterrent of criminal-type activity ... Nothing is being done to plan for a coordinated area police force ... If you advise the Police Department that you are going to be away on vacation, they will check your home approximately three times per week ... Our burglars are usually between 18 and 23 years of age, employed, from Cedar Rapids and have police records with 5 to 15 convictions---from a survey of data from CR police department records ... The term "Cop" originated in London many years ago where an officer was known as a Constable Of Police!

RAILROADED

Come to think of it. That term really dates me. Still haven't gotten used to the sight of four-letter words in print, however. Anyway, we got it! Those KIWANIANs from the East Side Club caught us at a weak moment with those bags of peanuts last Wednesday. Don't know what "During 1971 we are emphasizing the needs of youth in the disbursement of these funds." means, but if they are doing something for the "youth" of the community, I'm for it!
