ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

July 29, 1971

Vern Perry, Editor

THIS WEEK---August 4, 1971

Roosevelt Hotel---"D.W.I. Phoenix," a movie shot in Phoenix, Arizona showing the approach that city has taken to cope with the problems which result from the mixing of automobiles and alcohol. Over 3,000 were arrested and put through a course showing the dangers involved in that lethal mixture; only 10 of the 3,000 were arrested the second time for "driving while under the influence." No actors. Everyone playing himself!

### BOARD MEETING

Tuesday Noon, August 3, 1971, Roosevelt Hotel. Note that this meeting is next Tuesday. The first Tuesday of the month, not the second. Important business needs your attention.

### DISTRICT CONVENTION

Nebraska-Iowa District Convention, Waterloo, Ramada Inn, August 15 thru 17. Jim Luhrs and Ed Colton plan to attend and would like to count you in. They plan to go to Waterloo on Monday morning, August 16. If you can make it-----give Jim or Ed a call. With the affair being held within spittin' distance, would be nice to have a number of representatives from the Downtown KIWANIS. Sorry-----I can't make it!

### LAST WEEK

C.C. Birr said he thinks it all began in 1964 with an editorial written by Harry Boyd of the Gazette. The citizens were beginning to get restless and rebel. We were coming to the realization that we couldn't afford all of the nice things we would all like to have---new library, civic center, etc. Boyd stated that he felt that there must be a "sharper focus of energy and money" in the community. Many had been thinking we had a problem, of course, but Boyd's editorial triggered the action which led to the formation of a committee to study the local government, schools and private and social agencies in Linn County.

If you weren't able to attend last Wednesday's meeting, I suggest that you ask C.C. Birr or Bob Bettiga for a copy of the six-page booklet titled "TARGET 76." This is a distilled version of a 475-page summary report prepared by consultants Katherine Kruse, Dr. Russell Ross and Dr. E. Robert Stephens of the University of Iowa. You are going to help pay the bill, you know! You should know what is being planned. Of course, the goal of the whole thing is to improve the efficiency of county and city operations by better utilization of personnel, facilities and equipment and thus reduce the cost.

The Committee is made up of representatives from many organizations in the city and county-----City of Cedar Rapids (Mayor/Finance Commissioner); Linn County Board of Supervisors; Joint County School System; Cedar Rapids Community Schools; Chamber of Commerce and many other interested and concerned organizations. A list of the organizations involved in the study and the recommendations they are making are listed in "TARGET 76."

Did you know that-----Linn County has 11 School Districts, more than any other county in the state? That Linn County has 17 layers of supervision in its organization? That the AD HOC Planning Committee, C.C. Birr, Chairman, meets monthly at the Chamber of Commerce and you are invited to attend? That Springville has contracted with Linn County to provide police protection? That in spite of our problems in this area-----the Governor has noted the action of the Planning Committee and has contracted with Dr. Stephens to review plans and progress in Linn County? That we are getting almost as much credit for being willing to lay our problems on the table, as we are for progress resulting from the study? That Bob Bettiga of United Community Services backed up C.C. Birr and made the second part of the presentation last Wednesday? That Bettiga feels we should be more hardnosed about how our tax and "civic contributions" moneys are spent? That he thinks "professional managers" such as himself should be made to justify every expenditure? That it was a fine, informative program, even if the two principals were working under a handicap-----they are Rotarians!

### VISITORS
