a place to grow

THIS WEEK---August 18, 1971

August 12, 1971
Vern Perry, Editor

Roosevelt Hotel---Chairman of the Board of Kirkwood Community College B.A. (Bud) Jensen will give us a slide tour of the College; discussing the plans for the future and request for the renewal of the tax levy which will appear on the ballot this fall.

WHAT DO YOU WANT?

President-elect Colton has given us an opportunity to express our opinions, our desires and our gripes. He pleads---"Please return the questionnaire." If you lost yours, please give Ed a call.

HAVEN'T SEEN YOU LATELY?

The Board of Directors and the Education and Attendance Committee have privately expressed a growing concern regarding the small number of members who regularly attend the Wednesday noon meeting of the Downtown KIWANIS. There are currently some 100 paying members. But the average attendance is in the ball park of 35 per meeting!

But, possibly you know as little about the rules of the game as I did. However, Education and Attendance Committee Chairman Dick Landis rightfully points out-----"That's no excuse!" Briefly, to be considered an active member of the KIWANIS one must attend a minimum of 60% of the meetings-----or make up meetings by attending other clubs; request in writing to be put on leave-of-absence; or have a darned good reason for being among the missing. If your recent-past attendance record hasn't been very good-----you may be hearing from the Education and Attendance Committee!

LAST WEEK

Dr. Russell Hindmarsh, Professor of Atomic Physics, University of Newcastle-Upon-Tyne, England and ordained Local Preacher in the English Methodist Church, in effect told us last Wednesday that God literally handed man the ball and made him aware that it would take more than praying to bring improvements and progress. As the Doctor pointed out, some got the message and some didn't. It really hasn't changed much from those Biblical times. It still takes a nose-to-the-grindstone and a shoulder-to-the-wheel combined with a good bit of sincere praying to get over the rough spots. We have to work at it. The Cedar Rapids Gazette, August 12, 1971, page 15, quotes Dr. Hindmarsh as saying "Science has banished all superstition from life. If Christianity is nothing more than a disguised form of magic, it can have no part in our modern society." But he pointed out that it is difficult to sell Christianity based upon scientific evidence. Christianity is based upon faith, a commitment to God and knowledge-----no matter what our field of specialization.

E. Victor Bock-----August 8, 1961

BOUQUETS YET!

Against my better judgment, but under the threat from President Luhrs that I will be tarred and feathered and ridden out of the Downtown KIWANIS on a rail if I don't publish it for all to see---I am including the following DIRECT QUOTATION:

"To Jim Luhrs---Submitted by Jim Rasley with the approval of the Executive Committee"

"Among the several seminars conducted during the recent Kiwanis International Convention in San Francisco was one on Public Relations. It was attended by over 200 delegates, including this reporter. One delegate raised half a dozen problems concerning his club's weekly bulletin. His comments were critical and apparently quite common to many clubs, judging from the delegate response. I listened, mentally comparing our own bulletin and steadily grew more pleased. My conclusion was that our Editor, Vern Perry, does a fine job week in and week out and without too many thanks. He'll probably be reluctant to include this item in the weekly bulletin, but we'll pull rank on him and insist. So Vern, although we don't say so very often, we want to say 'Thank you very much for the good work. Your Weekly Bulletin is a credit to our club and one of the fine contributions to Kiwanis public relations.'"
