## THIS WEEK---November 29, 1972

Roosevelt Hotel---Sherry Germanie, Coordinator of the Dropout Program for HACAP telling us of the problems and accomplishments of this most important program. Committees will have short meetings following the program.

NEW MEMBERS---Welcome: Tom Heabel of "Heabel's"; Jim Oetken, Sales Mgr. WMT-TV & Kim Stevely, of Crites & McConnell.

## COMMITTEE CHAIRMAN NOTE

Secretary Joe Power is convinced the Committee Chairmen just don't understand the rules of the game! He's probably right. The organization of the committees is different than in previous years. Joe's concern is the monthly report which he is required to submit to the district office. He isn't being supplied with the information by you Chairmen!

There are four major committees and a number of sub-committees under each of the major committees. (You will recall that you were given a copy of the committee organization some weeks ago. If you can't find it---see the reverse side of this Bulletin.) Anyway---Joe is asking for reports from only the four Major Committees: Citizenship Services, Co-Chairmen Vic Bock and Vern Perry; Membership Development, Co-Chairmen Clarence Fenner and Arnold Herbst; Club Meetings, Co-Chairmen Duane Anton and Rick Chandler; and Youth Services, Co-Chairmen Stephen Root and Joe Stenner. But Vic & Clarence & Duane & Steve need your help. Please provide them with information so they can put a report together for Joe!

## LAST WEEK

Juan Peron just may wish that he had stayed in Spain. Experiment in International Living Ambassador to Argentina, Marion High School's Ken Walton, told us last Wednesday noon that it appeared to him that only the University students were in favor of Peron's return. The older Argentinians remember too well the earlier Peron regime, when he initially became popular by being generous with government funds; then recognizing the barrel would soon be empty, he reversed his field and eventually had to flee for his life. Now it appears the students are not 100% behind Peron. The Cedar Rapids Gazette, Wednesday November 22, reports----- "...elements infiltrated the Peronist youth movement and are prepared to make a direct attempt against the ex-president..." The same news report---"Early Wednesday more than 50 heavily armed police were stationed in front of Peron's house and nearly 500 more were patrolling the neighborhood." Ken Walton said that he was extremely surprised when he heard that Peron actually did return to Argentina. He was convinced from what he had heard from many different sources, young and old, while in Argentina that Peron really doesn't have a great deal of support in that country.

While in Argentina, Ken lived with a family ---father, mother, a daughter 12 yrs. old and two sons, one 15 and the other 16. Ken's "brother" during his stay with his "family" was the 16 year-old, Hector. There were language barriers but Ken appears to have coped with the problem, especially enjoying his long discussions of current problems and events with his "father." The head of the family is a businessman, a partner in a department store in the city of 150,000 where they lived near Buenos Aires. Obviously Ken enjoyed the visit to Argentina and expressed his appreciation to the Downtown KIWANIS for helping finance his trip. Incidentally, when introducing Ken, Dick Landis pointed out that again this year, Cedar Rapids sent more students abroad on the EILP than any other community in the U.S.-----33 students to 20 countries, a remarkable achievement Dick, Ron Moore and all others who have been instrumental in organizing and supervising the local program.
